

BOARDING AGREEMENT

This is a contract between Haskell County Animal Hospital and the pet owner whose signature appears below:

- All boarding requires a reservation.
- All boarding animals are required to be up-to-date on Rabies and Distemper/Parvo Vaccines and to provide documentation of vaccines if they have been done elsewhere.
- Owner is responsible for all charges associated for services requested during boarding. Ex. Nail trims, vaccinations, exams.
- Pen size: Boarding dogs are kept in Run size of 4 foot by 6 foot. Cats are provided a kennel of 2 foot by 2.5 foot.
 - Dogs are walked minimum of twice daily.
- We allow animals from the same household to share a kennel provided they can eat together.
 - If your animals must be separated to eat, please book separate kennels. We do not have extra room to separate them for eating.
 - The second animal in the same kennel will receive a 40% discount.
- Food is provided; however owners may bring their own food. Please only bring the amount needed during stay; we do not have extra space for large food containers.
- PERSONAL ITEMS: We recommend against bringing any personal items from home for the following reasons:
 - They may cause, not reduce, separation anxiety for your animal.
 - There is a high chance they may be damaged. Do our heavy emphasis on hygiene and sanitation; we require all items to be laundered daily, including bedding and toys. Since these items don't fare well in laundry, they often suffer damage.
- We can administer all types of medications, including injections such as insulin during your pet's visit. There is a \$2.00 per day per dog medication administration fee added to the total bill for this service.
- Pick-up and drop-off times can occur anytime between 8 AM to 12 Noon and 1 PM to 5 PM on Monday through Friday.
- TREATMENT AUTHORIZATION & EMERGENCIES: HCAH may give first aid treatment or other attention when we deem it necessary for the safety and health of the animal. HCAH is authorized by the owner to provide veterinary advice or care, including emergency care, at the owner's expense. If we believe that your animal is in need of veterinary care, we will attempt to contact you before providing care; however, this document serves as our sole authorization to obtain veterinary care for your animal.
- We request that you give us at least a **48 hour** advanced notice from the start of the reservation for any changes or cancelations.
 - **PLEASE NOTE: ONCE YOUR RESERVATION IS BOOKED, YOU WILL BE BILLED FOR THE FULL BOOKING UNLESS YOU GIVE AT LEAST 2 DAYS NOTICE PRIOR TO THE START OF THE RESERVATION.**
 - ***Owner must provide credit card information when booking.***
